EXECUTIVE PEREGIAN SPRINGS RESIDENCE

Positioned on the corner with an expansive 820m² allotment, 10 Glen Abby Avenue has been meticulously cared for since completion and we are excited to bring the immaculate home to the market.

Spanning over 230m² with zero wasted space, every room has a purpose and a platform for exciting stylish living. The clever design maximises outdoor areas and allows the residents to make the best of the highly sought after 'queenslander' lifestyle. A freshly oiled timber deck adjoins the internal space, making the transition from inside living to outdoor entertaining seamless. This area is protected from the elements with a pavilion style roof for year round use, and a lush green hedge results in total privacy from the rear neighbours.

The current owners have spent many hours outdoors creating aesthetic gardens including bright bougainvillea bushes and chilli plants. They have enjoyed many meals over sunset on the deck with friends, and spent many sunrises pottering in the veggie garden.

Coupled with an interior colour palate that is soft, warm, inviting and timeless ... we are confident that you will find the smart design and the high end finishes to your liking.

Additional Features include:

- Four spacious bedrooms
- Master suite with walk in robe, luxe en suite complete with dual basins
