LARGE FAMILY HOME, LAND & LOCATION

Beautifully located in a quiet cul-de-sac, this 1100sqm lot, over a quarter acre, was purchased when land size was important to people.

Those were the days when the family would get together and play backyard cricket or kick a ball, over a BBQ, with family and friends.

The current owners, like many of their neighbours, have enjoyed this great family home for over 20 years and have created many wonderful memories.

But now, the children have grown and flown the nest, and it is time to downsize and allow another family to move in and enjoy the many benefits this home and location has to offer.

We love everything about this home and welcome your enquiry!
