TOWNHOUSE WITH SIDE ACCESS

Welcome to your opportunity to enter the Golden Beach market with this two-bedroom townhouse in a prime location just one block back from the waters' edge of the beautiful Pumicestone Passage and accessed via a walkway directly alongside the property.

Not your typical townhouse in Golden Beach – this one has a bonus feature of a courtyard plus side access that will accommodate a boat or trailer.

The spacious tiled living room is on ground level, is air-conditioned, has ceiling fans, security screens and leads out to the courtyard.

The kitchen is of a good size and has plenty of storage and ample bench space.

Both bedrooms have built-in robes, ceiling fans with the master featuring air-conditioning and private balcony.

The home is serviced by one bathroom plus an additional toilet downstairs.

There is also a single car lock up garage with the convenience of internal access.

The investor will love the fact that the property is in a high demand area, close to the Golden Beach Shopping Village, Medical Centre, parks, playgrounds and the water with a good tenant in place for the next few months that would love to stay on.

Those wishing to enter the market will find this the perfect opportunity to purchase a low maintenance property at entry level buying in one of the best streets in Golden Beach that is walking distance to almost everything.
