Immaculate Family Home on Harlequin

Immaculate people own immaculate homes and we are exciting to bring to the market a very well kept property at 13 Harlequin Road. The current owners built this home in 2018 and have maintained it nicely ever since.

Located within the award winning Harmony Estate, the area has more than 120 hectares of open spaces featuring BBQ areas, playgrounds and picnic areas ... we are confident that your investment in real estate will be well matched with an investment in lifestyle.

Internally the property is well appointed with stone benchtops, ducted air conditioning and an open plan living and dining room. These living spaces feature cleverly placed windows allowing for plenty of natural light. The chef of the family is well catered for with an upgraded 1200 oven and cooktop to match.

All bedrooms are generous in size and feature built in robes, a walk in robe services the master.

A substantially sized media room is tucked away behind sliding doors for complete privacy. This space could also be used as a fourth bedroom if required.

Externally, the property features an alfresco entertaining area adjoining the indoor space for a seamless transition from indoor living to outdoor entertaining. This area is under roof and protected from the elements, perfect for year round use. The backyard is manicured with plenty of grass and space for the family pet or play equipment.
