With wide open spaces and boundless character, rural opportunities like this less than 20 minutes to the beach are as rare as they are valuable. Sitting on approximately 1HA / just over 10,000m<sup>2</sup>, 1570-1576 Yandina Coolum Road is oozing with potential for the new buyer to maximise the space on site and existing infrastructure.

The main shed is generous in size at 243m<sup>2</sup> internally. With an extra high slab and 5m ceiling height in the centre, we are confident this valuable infrastructure will be priceless to the eventual buyer. The shed has three phase power and 4 roller doors, along with shelving and a mezzanine. Covered car ports on both sides allow for additional under roof vehicle storage protected from the elements.

The positioning of the dwellings on site are perfect. The main residence is set back on the block away from the road, this maximises the safe and peaceful surrounds. The rear entertaining area overlooks the 60,000 litre swimming pool which is the perfect place to pop in for a dip on a hot day. Old school hardwood floors flow through the home and create a warm and cosy atmosphere. The garage has been re purposed to an additional lounge room however this could be used for further car accommodation if desired.
