A completely separate 6 x 6m rumpus / teenage retreat or huge 5th bedroom offers a multitude of options and acts as a real problem solver for the large or extended family. Those that find most homes on the market are one room short of their requirements should take a look at this.

Outside, the kids and family pet will appreciate the big yard both front and back, where there's ample room to set up the swing set, play yard cricket or open the remote gate to ride bikes out front in the locals only cul-de-sac or take the kayak or fishing rod just up the road to the canal.

In the warmer months, the back yard is where all the action will be. A big saltwater pool, separate spa and timber sun deck will see to that.

A remote security gate and intercom give complete privacy from the outside world allowing to enjoy this piece of paradise all to yourself! The carport takes care of the vehicles, although it's possibly better served as a handball court dependant on your age.

Superbly located within easy reach of local shops, Maroochy River, Maroochydore CBD, Sunshine Coast University, local schools and childcare centres. Also offering easy access in every direction via the Sunshine Motorway.

We are confident you won't find better value in this family friendly neighbourhood!
