VERSATILE IN DESIGN - PRESENTATION PERFECT!

Bringing together unique design and impressive dimensions, this versatile 4 bedroom, 3 bathroom contemporary residence is the ultimate domain for those looking for something a little different, something a little special!

Located on an easy care 465m² allotment just moments from the ever growing University of the Sunshine Coast in a quiet area with a park at the end of the street.

An obvious focus on indoor-outdoor entertainment showcases generous living and dining areas that frame the family sized kitchen, which features substantial storage, island bench and quality appliances before linking seamlessly to two separate alfresco entertaining areas out back via stacker doors.

Positioned at one end of the home, the main bedroom offers a big walk-in robe, roomy ensuite and direct access outside. Three further bedrooms and two more bathrooms offer versatility for the extended family / teen or long term guest to have their own bathroom and privacy.

The oversized double garage enhances a perfect package and only begins to convey the quality of the home, improved by Easterly rear aspects.

Extras - air conditioning, gas hot water, fully fenced yard, fans throughout, established gardens.
