**MASSIVE PRICE REASSESSMENT! LIFESTYLE BUY, OR WAIT TO DEVELOP? IT'S YOUR CALL!**

A change in circumstances means that this terrific acreage property MUST now be Sold ... and FAST! With Settlement before Christmas the aim, the Seller has adjusted her price expectations by a whopping six-figure sum. So make no mistake: We are here to SELL!

This home on 8000sqm of flat, elevated and flood-free land looms as an ideal strategic buy, especially in light of the recently announced new town plan. That's just under 2 acres of fully-usable land at your 'disposal'!

It presently comprises a comfortable, low-set (wheelchair accessible) home with Colorbond roof; 3 bedrooms; freshly tiled through much of the living areas; plus a separate room ideal for an office setup or home-run business etc. The property currently boasts an outdoor living area; in-ground pool; and also a number of large, fully-fenced yards (presently and previously used for raising medium to large size dogs). And with 2 sheds and a carport you can cater for all the vehicles you could possibly need (up to 7 or 8 spaces).

Importantly (and effective as of 1st February 2016) the new Moreton Bay Regional Council Planning scheme announcement means this property is now zoned as "Emerging Community" in a Transition precinct; meaning it is presents a potential future development opportunity (subject to DA approvals and infrastructural requirements). More information can be obtained from the Moreton Bay Regional Council (website: [www.moretonbay.qld.gov.au](http://www.moretonbay.qld.gov.au) ).

With other developments nearby already up and running and others being in the pipeline or planning stage it should be evident that this property represents a unique opportunity for the astute buyer or investor to strike while the iron is hot; particularly those who have an eye firmly on the future direction which has been earmarked by local and state authorities for this thriving area.
