Woombye

POSITION PERFECT CHARACTER HOME ON ¼ ACRE IN THE CENTRE OF TOWN!

Representing excellent value, this charming 3 bedroom character home is set back from a quiet street on an impressive 1117m2 block, ensuring its lucky new owners enjoy the much sought after yet rarely available combination of space, serenity and privacy in a prime central location.

Packed with potential but with nothing to do except move in, features such as cathedral style ceilings, sky lights and the large windows that flank the front and rear of the home create a comfortable bright living environment by capturing plenty of natural light and breeze. The open, centrally positioned kitchen is a highlight, boasting a six burner gas cooktop 900mm oven, plenty of cupboard and bench space and seamless access to the dining area, spacious living room and stylish new undercover outdoor area. Many mornings, afternoons and evenings will be spent entertaining, dining or just relaxing here amongst established low maintenance gardens at the foot of your large backyard; the perfect place for kids (or adults) to play and with an abundance of space to put a pool or extra shed in down the track.

Inside, the master bedroom overlooks the green grass and garden bed of the property's private front yard and enjoys separation from the two other good sized bedrooms; all three have big built in wardrobes and ceiling fans. The large bathroom makes the most of every inch of the floor plan and features a basin, bench, bath and double shower.

The conveniences of Woombye's main street, it's highly rated primary school and local train station are all easily within walking distance of your front doorstep. The effortless access to the Sunshine Motorway/Bruce Highway/Nambour & Maroochydore Connection Road means you can be lying on the beach in Alexandra Headlands, studying at the Sunshine Coast University, shopping at Maroochydore's Sunshine Plaza or exploring the stunning Sunshine Coast Hinterland in less than 20 minutes after getting in the car. It's no wonder more and more people are moving to this location given the convenient accessibility to the best the Sunshine Coast has to offer (as well as the rising property values in the area).
