SUNSHINE COAST'S FINEST VIEWS– OUTSTANDING VALUE FOR MONEY

How would you value over 4 acres of land, just 11 km from the heart of the Sunshine Coast whose greatest attraction is the completely uninterrupted scenic, ocean views ranging from Mount Cooloolm to Point Cartwright and beyond?

Imagine sitting with family and friends on the expansive outdoor decks with the most panoramic backdrop imaginable. Enjoy breakfast as the sun glimmers off the water to the east, relax and take in glorious sunsets in the evening or watch nature at its best as the occasional storm passes over the coast. And of course there is absolutely no better place to be on New Year's Eve with the best seat in the house to watch the various fireworks displays that erupt up and down the coastline.

But that's not all.....

A delightful 3 bedroom character home featuring new modern kitchen with stone benchtops and elegantly renovated bathroom and ensuite creates a warm welcoming environment all year round.

With select grade solid timber flooring, feature walls and raked ceilings the home offers the perfect combination of style and comfort. The home is perfectly positioned along the highest ridge of the property granting unbelievable views from each of the bedrooms that each enjoy their own private decks and from the living space and both the internal and external sitting areas. To ensure maximum viewing pleasure there are wall to ceiling picture windows and the deck is surrounded by toughened glass fencing.

There are also 2 additional buildings to compliment the home and complete the offering.

There is a large open plan granny flat that is currently rented which provides additional income or could be utilised by visiting family and friends. The layout of this room would also make an ideal family or games room if you have the need.

Additionally, there is an artist's studio to die for. With wonderful views from within or the option to set up an easel in the fresh air right outside the door there really is no better place to gain inspiration and creativity.

Finally there is a double lock up garage and undercover carport with plenty of parking space for a caravan or boat.
