INDIVIDUAL DESIGN WITH NO COMPROMISE! BRAND NEW

Defined by its street appeal and clever layout, this new home is a step above the rest! Individuality and style are evident upon entry, from the cedar timber feature wall in the entry/foyer, through a clever yet ageless design, to the raked ceilings and north facing outdoor entertaining area. There is no doubt that keen observers of the property market will realize two things. Firstly, brand new homes of this calibre rarely come onto the market and secondly, when they do – they are snapped up very quickly. If you are fussy about the quality of the build and fittings, don't hesitate to view this one!
