'THE HOUSE WITH THE LOT!'

Located in the always popular Beachside suburb of MarCOOLa literally 600m from the sand on a pan flat and super private 655m2 allotment; on offer here is a newly renovated 4 bedroom plus study family home.

It's a home that offers very easy living, lending itself to entertaining it seamlessly transitions from the air conditioned main living zone to the covered entertaining area out back. Many mornings, afternoons and evenings will be spent out here relaxing by the pool, entertaining by the fire pit or simply spending valuable time with the family.

Stepping inside, the home offers separate internal living zones that allow excellent separation when required. The family sized walk through kitchen takes pride of place at the hub of the home overlooking the back yard and entertaining area to the rear. Perfect for keeping an eye on the kids!

Mum and Dads bedroom is well sized and offers direct outside access, a big walk in robe and well appointed ensuite. In total there are four bedrooms, all offering fans and built in robes.

A separate home office allows a work from home arrangement or the perfect spot for the kids to do their homework (or play computer games). Those that find most homes on the market are one room short of their requirements should definitely take a look at this.

Outside, the kids and family pet will appreciate the big yard out front and back, where there's ample room to set up the swing set and trampoline, play yard cricket or open the remote gate to ride to the beach or skate park just up the street.

In the warmer months, the back yard is where all the action will be. A big saltwater pool, easy care garden and potential putting green will see to that. There's also the perfect spot to work on your tan beside the pool, and a 3x3 garden shed to house the pool toys.

A remote security gate gives complete privacy from the outside world allowing you to enjoy this piece of paradise all to yourself! The oversized single garage (6.7 x 4.4m) and secure hardstanding for two more vehicles (9.4 x 7m) takes care of the vehicles, although it's possibly better served as a handball court dependant on your age.

Superbly located within easy reach of local shops, countless caf  s, bike
