COME ON IN, MAKE YOURSELF AT HOME!

Beautifully presented to an executive standard, crisp neutral tones and quality fittings are stand out features of a property that literally presents as new, located within easy reach of all conveniences on a completely useable 465m2 allotment that feels so much bigger.

This is the type of home that will appeal to a busy couple or a family that have been searching for a home with the lot, sans the maintenance. It's also an ideal investment, a set and forget type property that will no doubt attract the right tenant.

Internally, the family kitchen is central to the home, offering easy access to all entertaining and living areas inside and out. The family chef will feel right at home here; loads of storage, oodles of bench space, brekky bar and quality inclusions.

Near the front of the home, a well sized media room is the perfect spot to unwind in front of the TV. Dependant on your family arrangement it's also the ideal rumpus, somewhere for the kids to house all their colourful games and toys while keeping up with what Peppa Pig and Dora are up to.

A second air conditioned internal living and dining area is adjacent the kitchen, providing excellent separation of living when required.
