SEMI-ACREAGE IN SUBURBIA WITH ALL THE TRIMMINGS!

Always sought and seldom found, family homes like this one only come along once in a Blue Moon!

Offering superior space and exceptional comfort for the family right from the outset, this gorgeous property offers a list of extras that leaves nothing on the to do list.

From the street it hides behind a rendered block fence, giving no hint that a 30 square home on an 1131m2 allotment resides in this ultra convenient location.

Unique in design and offering all the things I'm always asked about, it won't be on the market for long. The creation of a home that stands out from the crowd has been a key consideration in this design, standard doesn't live here.

Outside, it's the perfect yard for the kids and family pet, fully fenced with loads of room to play and a massive sparkling in ground pool for the warmer months. The perfect hide and seek house, there's also room for yard cricket, a trampoline, cubby house... the list goes on!

Low maintenance gardens create a tropical feel and a large Poinciana tree at the front of the property offers plenty of shade and is the centre piece in the creation of an alfresco setting that gets plenty of use through summer.

Stepping inside, the main living area is modern, spacious and practical. The kitchen offers stainless appliances, a gas cooktop and rangehood, large oven and dishwasher, as well as generous storage, preparation areas and breakfast bar.

The adjacent lounge creates an inviting environment for the family with plenty of natural light and room to spread out. High ceilings and air conditioning complete a very functional living zone.

The oversized master suite (or parents wing) is separate from the rest of the house, offering a more than generous 6 x 6 metre bedroom, large walk in robe and private ensuite complete with spa, double shower and his'n'her vanities. Split system air conditioning will keep Mum and Dad comfortable all year round. It's also a real option to rent out separately or just as perfect for an extended family arrangement.
