21 Ellem Court, Diddillibah

SIMPLY THE BEST

Set behind a white picket fence at the foot of a quiet cul de sac on a picturesque 7390m2 allotment in one of the Sunshine Coast's most desirable acreage enclaves, 21 Ellem Court has undergone a stunning transformation and is now indisputably one of the area's premier properties. Combining a no expenses spared approach with impeccable taste in contemporary design has yielded truly spectacular results both inside, and out of this most memorable Hamptons style Queenslander that simultaneously offers luxurious living, rural tranquillity and a convenient coastal lifestyle.

Exuding a modern elegance and finished to the very highest of standards, the eye catching interior of the immaculately presented main residence boasts many highlights, of which the centrally positioned chef's kitchen is arguably the brightest. The cook of the household will be smiling from ear to ear with two self cleaning ovens, 4 burner induction hob, rangehood, inset microwave and Miele dishwasher just some of the tools at their disposal. Ample soft close cabinetry, carrara marble splashback and the European stone island bench epitomise the quality and class present throughout the home, while seamless access to either of the two living zones, wide apron veranda or extended wooden deck overlooking the sparkling swimming pool and sprawling lawn and gardens mean the only difficulty in entertaining guests is choosing which idyllic location to do so in.

The spacious master suite is also a jewel in the crown. Offering optimum privacy that extends to the east facing veranda nook just outside the French doors (perfect for enjoying breakfast and coffee in the morning sun), it also features a 'bedroom sized' walk in wardrobe with a sit down preparation station and an opulent en suite adorned with Italian calacatta marble tiles, stand alone bath and double basin sinks with an abundance of soft close drawers and cupboards.
