DECEASED ESTATE RIPE FOR RENOVATING

You tell me what you would like to do with this old-world charmer consisting of two x 2 bedroom plus sleep out units, would you like to bring her back to her bygone era of a grand old home on an exceptional block of land so close to the city or keep her as 2 x 2 bedroom units. You will need more than a fresh coat of paint and new carpet here! A lot of elbow grease and a little creativity is required, but with so much potential and original character and features along with a versatile floor plan, it is definitely worth a look.

Here lies a rare opportunity for you to create your very own nest egg, live in one and rent one out... rent both out with potential rent once renovated of \$245 pw each on a flat 1012 sqm block – or knock it down and start from the ground up if you choose, and possibly also add a granny flat, or of course bringing her back to her original grand old beauty of a single dwelling you decide. Ideally located a short walk from schools, transport, the shops and medical centres, this is an opportunity not to be missed.
