Unit 31, 143 Mooloolaba Esp, Mooloolaba

SUNRISE SUITE @ SEAVIEW APARTMENTS

Nationally recognised as one of the hottest tickets in town, the Mooloolaba Esplanade provides an exciting lifestyle in an enviable location. Seaview @ Mooloolaba Esplanade is a very tightly held apartment building and we are excited about the 7th level Sunrise Suite that is now for sale. The perfect North East aspect awaits and overlooks the Mooloolaba Bay with postcard views by day and by night. Waves crashing in on the sandy beach draw you to the outdoor balcony, where the panoramic skyline takes in the Pacific Ocean from the Point Cartwright lighthouse to Old Women Island.

The spacious living area and outdoor balcony provides the front row position to enjoy the magnificent southern humpback whales as they migrate to and from Antarctica. As these leviathans of the deep make their way through our warm waters they feed and play in the clean, clear blue sea of Mooloolaba Bay. An up market renovation has taken place in recent months mixing a stunning location with some modern "WOW" factor.
