The 'new' Maroochydore CBD is the hottest ticket in town. The recent redevelopment of the Ocean Street precinct and central CBD has not only won the hearts of our locals and tourists alike, it has given confidence to national retailers such as David Jones to construct an extension in the already successful shopping precinct 'Riverwalk Sunshine Plaza'. The spin off for nearby residents is obvious. In the blink of an eye lifestyle changes are evident with the street scape taking on a whole new look. But equally important is the real estate buzz around CBD properties, although in its infant stage is already noticeable.

If you are looking to upsize, downsize or capitalise on the ever popular Maroochydore locale, this is your opportunity.
