15 Cudgewa Cl, Buderim

PRESENTED AS NEW.... JUST FOR YOU?

Ideally positioned on an immaculately maintained 889m2 allotment at the top of a tightly held cul-de-sac of twelve executive style homes, #15 on Cudgewa is overloaded with extras and more than ready to impress!

At the front of the home the recent addition of a 2 and a half bay car port plus extra spot for the trailer or small boat will more than take care of your vehicles, with the 'old' double garage seamlessly converted to an extra upstairs living zone. In turn the floor plan has grown to allow the kitchen to boast a butler's pantry and the already impressive master suite to increase in size by about 2.5m2 (I'll show you at the inspection, pls ask)

With two alfresco timber decks to choose from and an inviting spa to soak in with a glass of bubbles under the stars...this is an entertainers' dream home...your house will be the venue of choice for all social gatherings!

Stepping inside, the family kitchen takes pride of place at the hub of the home, offering ease of access to all upstairs living zones inside and out, while boasting enviable views out over the surrounding area. The family chef will feel right at home here; stone tops, 2 pac soft close cabinetry, 900mm five burner gas cooktop, aforementioned butlers pantry, brekky bar, gorgeous glass splashback and quality Miele appliances including integrated dishwasher.

Still upstairs, the master suite has been positioned with privacy in mind. This generously sized daily retreat will have you waking up to gorgeous views out over the trees before you bounce out of bed to do 'laps' in your heated swim spa located on the lower deck. The updated ensuite is also certain to impress.

Heading downstairs, the versatile design is ready to suit a myriad of uses dependant on your family arrangement, including the obvious guest accommodation or teenagers retreat. It's also a real option to help bring in the bacon by way of a home business or easy conversion to a permanent rental or shorter term Airbnb type accommodation.

For the larger family it's also a cracking spot to watch the footy or a family movie on the projector that remotely engages to slide down over the inbuilt fish tank and create an uber cool home theatre experience.

The landscaped gardens are well established and easy care – the fully automated and programmable 5 zone irrigation system takes care of both the front and back gardens. A good size yard offers ample room for the swing set
