afternoons or beers with the boys! The adjoining timber deck is spacious and the current owners have set up a table and chairs, BBQ, hammock and room to play darts. Being away from the house means no interruptions for children sleeping and zip up clear blinds mean this space can be enjoyed Summer or Winter, rain or shine!

There is plenty of scope to renovate, or (after gaining council approvals) you may be able to raise and build underneath or extend the existing house to make it suit your own family. Whatever you choose you will be glad you did as the position is very much sought after.

The block size is 607m², is fully fenced, has a double carport at the rear and plenty of room in the back yard for a pool if need be.

The emerging Town Centre of Pelican Waters is just a few minutes away with plenty of shopping and conveniences along with the Marina and retail development that is well underway.

The CBD of Caloundra is only a short drive or cycle away whilst some locals and holiday makers quite happily enjoy the scenic walk on the coastal pathways that wind their way along the foreshore through Caloundra and further north to Shelly, Moffat and Dicky Beach and beyond.

This home is sure to please a wide range of buyer types and I would recommend taking the time to inspect this home at your first opportunity.
