NEAT INVESTMENT PROPERTY ON 2023SQM BLOCK

Are you looking for an investment property with the potential to build a second dwelling on the block (STCA)...then you must inspect this one!

It's rare to find an investment property these days that has this much potential under \$300K but now you have so jump on it quickly as it just won't last.

This large 2023sqm block has a driveway up the RHS of the property currently which gives easy access to vehicles to access the rear of the existing house as well as the back of the block. This style of block is ideal for building a second dwelling on (STCA) where everyone will have their own space and not be living in each others pockets!

The current house features:

- 2 bedrooms (the second bedroom is massive and almost runs the length of the house so could be made into two bedrooms creating 3 bedrooms in total)
- A functional kitchen
- 1 bathroom with a second toilet outside
- Polished floors
- Generous fully fenced front and back yard
- Currently rented for \$280pw until Feb 2022
