71 Burton Street, Bunya Mountains

THE ULTIMATE IN PRIVACY

Rarely do these very tightly held freehold properties come on the market in this amazing part of the world. There is the gorgeous rainforest featuring ancient Bunya Pines and teeming with native wildlife. Great cafes, restaurant and a tavern are nearby to enjoy after completing picturesque walks in the National Park.

The Bunya Mountain National Park reaches more than 1,100m above the surrounding plains with cool peaks and offers spectacular mountain scenery, views and abundant wildlife.

The park is home to about 120 species of birds and many species of mammals. Located approx. 200km north-west of Brisbane the Bunya Mountains has a very limited supply of freehold land given the surrounding National Park and with a new mountain bike trails currently being built the park will bring a lot more people to the area.
