

1, 30 Burnett Street, Mooloolaba

## CUTTING EDGE ARCHITECTURE BY THE BEACH

Appropriately, this valuable Beach Side location is now home to an equally stunning residential tower. This was the last allotment available for development in Burnett Street and the design process took over 12 months to complete. Clear lines defining the sharp outline of the building were drawn and re-drawn to maximise the size of each apartment.

The result is perfection in style and street side appeal. Security is also state of the art with each owner having individual codes to enter both the building, the car park and the lift. These codes are programmed to allow exclusive access to the floor that the unit is located on only.

There are 2 x 3 bedroom units located on the first level, 2 x 3 bedroom units located on the second level, and the penthouse totals 5 apartments in the complex.

Internally the timeless earthy tones were carefully selected so that the expensive tiling would remain a forever "WOW" factor, without the risk of dating as time moves on. This is the last remaining brand new apartment in Mooloolaba's most exciting and valuable residential tower. A smart investment in real estate, an outstanding investment in lifestyle.

- Three bedroom, two bathroom brand new apartment
- 121m2 (including balcony) of quality living space
- Secure parking with storage cage
