102 Chelsea Crescent, Minyama

WATERFRONT PERFECTION

Motivated by a keen desire to be surrounded by water this home was designed to provide the perfect view from every room. Maximizing every angle and every available square metre of designer living to provide waterfront excellence. The residence has been thoughtfully planned to offer future proof living with 2 of the 4 bedrooms being of "King size" and offering private ensuite and walk in robe facility. The first king sized bedroom is located on the lower level which is a terrific guest room or easy access master suite without the challenge of stairs. The second king sized bedroom is on the upper level and this is the feature parents retreat (4m x 7.9m). When building a home of this size and stature it is important to ensure there is ample area for the toys and the family belongings. A 3-car garage takes care of this, and the 9 metre pontoon with a dry berth facility for the extra runabout or jetski, will impress the water babies. The lifestyle is indeed an enviable one particularly when your backyard becomes the Pacific Ocean. Call Myles Blackwell for a private viewing anytime.
